

2 | INSERTABLE BINS FOR EURO CONTAINERS

Boxplus insertable bin is the ideal solution for flexible subdividing Euro containers. It can first be filled and pre-picked with varying loads of initial parts and then be combined with other insertable bins in the Euro container. A Euro container with basic dimensions of 60x40 cm can hold up to eight insertable bins.

A perfect overview

- Grip rim for easy handling
- Stackable due to reinforced rim
- Variety of possible loading options
- Up to 8 insertable bins per container

OUR TIP

STACK INSERT BOXES

Our insert boxes are stackable, providing an overview and order in the Euro container. Insert boxes can be combined flexible in different heights.
