## Innovative with plastic

Boxplus is a competent specialist of handling and storage plastic bins. Because we follow the “Cost Leadership” strategy, we can ensure our customers that packaging products are offered at the lowest possible prices. These low prices are realised by minimizing overhead costs and by building alliances with European market leaders. Simply said, Boxplus is able to offer its clients the best price-quality ratio available in the market.

Please feel free to contact us so that we can make you an offer.

# LIGHTWEIGHT PALLETS

---

4

The outstanding property of Boxplus light-weight pallet is its especially low empty weight. It nevertheless has an impressive load-bearing capacity and is therefore suitable for use in worldwide transportation. Light pallets with legs can be stored inside each other to save space and skids provide optimal stability especially for large loads.

### Sturdy lightweights

- Can be stacked inside each other to save space
- Low empty weight
- Very resilient
- Suitable for worldwide exports

## LIGHTWEIGHT PALLETS WITH RETAINING EDGE WITH FEET

Outer dimensions L x W x H	Article No.	Design	Units/stack
60x40	LP64	with 4 feet and perforated deck	200
80x60	LP86	with 6 feet and perforated deck	100
120x80	LP1208	with 9 feet and perforated deck	50
120x100	LP1210	with 9 feet and perforated deck	50
120x80	LP1208GD	with 9 feet and closed deck	50
120x100	LP1210GD	with 9 feet and closed deck	50

## LIGHTWEIGHT PALLETS WITH RETAINING EDGE WITH SKIDS

### The stable ones

Due to the skids, our lightweight pallets become even more stable as well as the torsional stiffness increases. Especially high weights, this pallets can be perfectly moved with fork lifters.

- Optimum stability
- Low net weight
- High load-bearing capacity
- Suitable for global export

Outer dimensions L x W x H	Article No.	Design	Units/stack
120 x 80	LP1208K	with 3 skids and perforated deck	40
120 x 100	LP1210K	with 3 skids and perforated deck	40
120 x 80	LP1208KGD	with 3 skids and closed deck	40
120 x 100	LP1210KGD	with 3 skids and closed deck	40

The skids are delivered separately. Self-assembly skids need to be clicked onto the pallet.

# MEDIUM PALLETS

## Strong all-rounders

Boxplus medium pallet is made of scratch-resistant, high-quality plastic and is an all-rounder in day-to-day service with load-bearing capacities between those of the lightweight and the hygienic pallet. It is suitable for worldwide exports and, with steel tube reinforcements, is also ideal for use in high-bay warehouses.

- Euro and ISO format
- With or without retaining edge
- Optional steel rod reinforcement
- Suitable for worldwide exports

6

## MEDIUM PALLETS WITH RETAINING EDGE

Outer dimensions L x W x H	Article No.	Design	Units/stack
120x80	MP1208	with 3 skids and perforated deck	14
120x80	MP1208S	with 3 skids and perforated deck	15
120x80	MPHD1208	with 3 skids and perforated deck and steel tube reinforcements	14
120x100	MP1210	with 3 skids and perforated deck	14
120x100	MPHD1210	with 3 skids and perforated deck and steel tube reinforcements	
120x100	MP12105	with 3 skids and perforated deck	14
120x100	MPHD12105	with 5 skids and perforated deck and steel tube reinforcements	14

These pallets are also available without edge

# HYGIENE PALLETS

## Clean maximum performance

Boxplus hygienic pallet is also known as the H1 or H3 pallet. It has been specially developed for the storage and transportation of foodstuffs. Its standardised external dimensions make it the perfect basis for hygienically flawless stackable containers and also suitable for worldwide exports.

- Food-safe
- Suitable for worldwide exports
- Heat and cold-resistant
- Easy to clean

## HYGIENE PALLETS WITH RETAINING EDGE

7

Outer dimensions L x W x H	Article No.	Design	Units/stack
120x80	H1	3 skids welded	14
120x80	H1-RG	3 skids not welded	14
120x100	H3	3 skids not welded	14
120x100	H3+5	5 skids not welded	14

# CLEANROOM PALLETS

## Smooth does it!

Due to its smooth, solid storage surface, Boxplus cleanroom pallet is easy to clean thoroughly and consequently ideal for the storage and transportation of hygienic goods. The pallet is available either with or without a retaining edge.

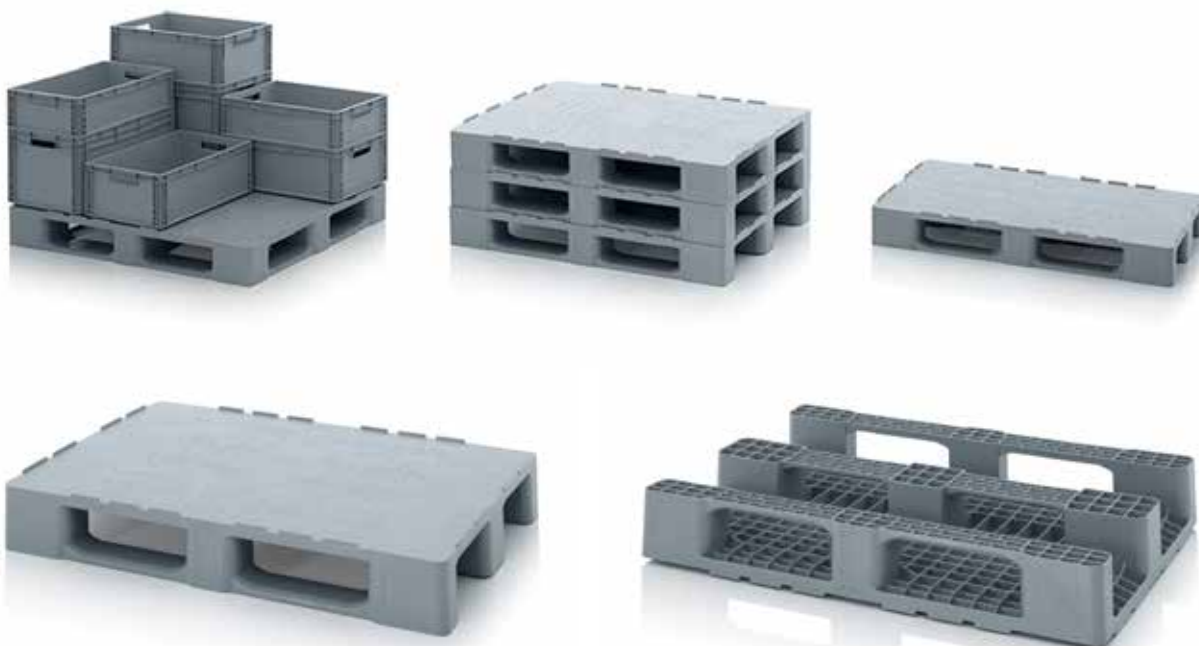

- Completely smooth surface
- Easy-clean surface
- Suitable for high-bay racking
- Optional steel rod reinforcement

8

## CLEANROOM PALLETS WITH RETAINING EDGE

Outer dimensions L x W x H	Article No.	Design	Units/stack
120x80	H1208	with 3 skids	21
120x80	HD1208	with 3 skids and steel tube reinforcements	21
120x100	H1210	with 3 skids	21
120x100	HD1210	with 3 skids and steel tube reinforcements	21
120x100	H12105	with 2 transverse and 3 longitudinal skids	21
120x100	HD12105	with 2 transverse and 3 longitudinal skids and steel tube reinforcements	21

Cleanroom pallets without edge are available

## CLEANROOM PALLETS MADE FROM RECYCLED MATERIAL WITH RETAINING EDGE

### Smooth does it!

Boxplus cleanroom pallet is manufactured from reclaimed, recycled plastic material and is therefore somewhat cheaper than the version made from new material. However, this version has equally good load-bearing and cleaning properties. Please note that cleanroom pallets manufactured from reclaimed material are not food-safe.

- Made from reclaimed material
- Completely smooth surface
- Easy to clean
- Suitable for high-bay racking

9

Outer dimensions L x W x H	Article No.	Design	Units/stack
120x80	R1208	with 3 skids	21
120x80	RD1208	with 3 skids and steel tube reinforcements	21
120x100	R1210	with 3 skids	21
120x100	RD1210	with 3 skids and steel tube reinforcements	21
120x100	R12105	with 2 transverse and 3 longitudinal skids	21
120x100	RD12105	with 2 transverse and 3 longitudinal skids and steel tube reinforcements	21

Cleanroom pallets from recycled material without retaining edge are available.
